To under Secretary

Please see the letter of the D.I.& C. at pp 1-2 cf. In G.O. no 65 (MS) P.W.D d 30.9.43 special pay of 20% of their pay, subject to a maximum of Rs 200/- p.m. in individual cases, was sanctioned as a special case to all grades of officers engaged on aerodrome work in the Madras P.W.D. For the reasons stated at 1 on pp 1-2 cf, the D.I.& C. recommends that the Special Supervisor engaged on the Construction work of Govt. Silk Filatures Kollegal be granted a similar special pay

B' on p 2 cf

It is submitted that the special pay, in the ~~P.W.D~~ G.O. cited above, was granted only to officers engaged on aerodrome Construction work. A proposal to grant ~~a~~ similar special pay to officers engaged on road works of military importance was turned down because road works are a normal branch of P.W.D. work and the staff need not live in remote places like the aerodrome Construction sites. ~~However if it is decided that the special pay should be granted to the Supervisor~~ was engaged on the Construction of buildings relating to the Govt. Silk Filatures, which is only similar to the work normally done in the P.W.D. He was working also ~~among others also. They would claim for a similar special pay~~ under the Controller of a Special Engineer at Kollegal. The Concession and all the staff engaged will have to be Govt. ~~decided the proposal of the D.I.C. for the grant of a special granted the special pay~~ pay to the Special Engineer appointed for the work
